

The President's Volunteer Service Award recognizes, celebrates and inspires volunteerism, service and citizenship in the community. The Education Commission is making this award available to all K-12 students in Pleasant Hill.

Why participate? Presidential recognition sets you apart from your peers. It is a tremendous honor. Even though you may not seek recognition, your example can deliver a powerful message that encourages others to take action. The award can be a strong addition to your resume and/or college application.

How to Participate

To get started, here is what you need to do:

- Register on the [PVSA website](#)
- Create your profile
- Join the City of Pleasant Hill team using this Record of Service Key: RNH-46691

The City of Pleasant Hill will award those who have completed the required number of hours of service, given your age, during the 12-month time period of September 1st through August 31st. Awards will be presented next fall (before the college application season gets into full swing).

Safety Issues - safe driving reminder, school safety officers

A friendly reminder to drive safe around our schools. Each school in Pleasant Hill now has a School Safety officer from the Pleasant Hill Police Department to ensure that our kids are safe when going to school and returning home. Please slow down and keep everyone safe! Be extra cautious
